

CAMP WILABOSCA FACILITY CANCELLATION POLICY

Camping is the prime venue for delivering the program of Scouts Canada.

When a group reserves a facility, other Scouting youth are excluded from using that facility at that time.* Quite often that might be the only camping opportunity for a youth during that season.

With this concept in mind, Camp Wilabosca Camp Committee policy is:

If a group makes a reservation and cancels with 4 weeks or less of the date booked, that group is financially responsible.

There are some exceptions:

1. If a group withdraws their reservation within that 4 week period; but, another group reserves the camp for their booked dates, the original group is exempt.
2. Periodically exceptional circumstances, such as extreme weather and certain tragedies, would warrant an exemption. Please contact the Camp Committee Chair.

To cancel a booking, we must receive a WRITTEN cancellation notice from you via e-mail, or mail. Your deposit is non-refundable regardless of when we receive your notice. If we receive your notice later than two weeks before your booking arrival date, both your deposit and balance amounts are non-refundable. When we receive your cancellation notice, we send you a cancellation confirmation email so that you have received your notice.

- Camp Committee members may need to access the camp for repairs but will advise prior to arriving
